**Walker Derails Economic Development and Jobs with Opposition to Rail**

**Statement by Milwaukee County Clerk Joe Czarnezki**

**December 9, 2010**

Governor-Elect Scott Walker hasn't even taken office, but he has already derailed economic development and job creation in Wisconsin by refusing \$810 in federal funds for high-speed rail.

Wisconsin taxpayers send more money to Washington than we receive from the federal government. Governor-Elect Walker has kicked Wisconsin taxpayers in the caboose by sending our hard earned tax dollars to other states.
